This is where you will enter dental room 1.

Manchester Local
Care Organisation

Manchester University
NHS Foundation Trust

This is dental room 1.
This is the larger room.

You will be asked to sit on the dental chair. The chair will move and lay back so the dentist can see your teeth.

This is the dental light.
This will be switched on
when the dentist has a
look at your teeth.

This is dental room 2.
This is the smaller room.

NHS Foundation Trust

The dentist will use a small mirror and a pointer to count your teeth and check they are clean.

The dentist might clean your teeth. If you have a favourite toothbrush please bring it with you.

Your dental visit is now complete.
