

My Trip to the Dentist

I will go to the dentist

I will walk through to the
Dental Department

Manchester Local
Care Organisation

NHS
Manchester University
NHS Foundation Trust

I will go to the receptionist
and tell them my name.

I will wait in the waiting room
for my name to be called.

When my name is called I will go into one of the dentist's rooms. The dentist and nurse will be happy to see me.

I will sit on the dental chair.
The chair will move and lay
back so the dentist can see
my teeth. The chair is fun!

I will open my mouth and let the dentist count my teeth. Lights can be bright sometimes, but it's ok, I can wear some dark glasses or close my eyes.

The dentist will use a small mirror and a pointer to count my teeth and check they are clean. I can hold _____'s hand if I want to.

The dentist might clean my teeth. We can choose which brush they use together.

When the dentist is done I
will have nice, clean teeth.
