

Help save lives and run your own cancer awareness presentations in the community.

Join Talk Cancer's Train the Presenter training day!

Date: Thursday 21 September

Time: 10am-4pm

Venue: The Life Centre, 235 Washway Road, Sale, M33 4BP

How can Talk Cancer benefit me?

Delivered by nurse trainers, the interactive workshop gives you the knowledge to raise cancer awareness in your community. You can feel confident talking to people about:

- How to reduce the risk of cancer
- The importance of spotting cancer early
- The national cancer screening programmes.

You will also be upskilled to present a Cancer Research UK scripted cancer awareness presentation and manage related questions and discussion.

Is the training suitable for me?

If you promote health and wellbeing in your community, the Talk Cancer training will help you make your conversations more impactful.
